- All team members are now well familiarized with using online tools and working with them. The daily scrum meetings are to be held every Monday at 10:30am, Tuesday at 2:30pm, and Friday at 11:30am.
- Scrum master and person in charge of these meetings: Alin Cimpean.

b) Define what each team member is tasked with, following the meeting

Frontend: Grace Kerr, Will Guida, Su-Kuen Koh, Angela Alviano, Alin Cimpean

Backend: Alin Cimpean, Angela Alviano, Su-Kuen Koh

Documentation: Alin Cimpean, Angela Alviano, Grace Kerr

Unit Testing: Will Guida, Su-Kuen Koh

Following this Sprint Planning meeting, all team members were assigned with specific tasks to be implemented. For this particular sprint, the features prioritised were:

- To implement a dashboard for users who are logged in.
- Customers are able to see a list of services that are available.

Unit tests are to be written for backend and frontend components.

c) Address any issues noted throughout the meeting for discussion before closing

-

d) Document issues designed for discussion or follow-up, outside the meeting. Assign ownership (person in charge)
